☐ **(BY U.S. MAIL)** I am "readily familiar" with the firm's practice of collection and processing correspondence for mailing. Under that practice it would be deposited with U.S. postal service on that same day with postage thereon fully prepaid at San Francisco, California in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit.

☐ **(BY PERSONAL SERVICE)** I delivered such envelope by hand to the offices of the addressee.

☐ **(BY FACSIMILE)** I caused such document to be transmitted from my employer's facsimile machine telephone number (415) 227-4255 to the offices of the addressee at the facsimile machine telephone number listed above. Upon completion of the said facsimile transmission, the transmitting machine issued a transmission report showing the transmission was complete and without error and indicating the time of such transmission. A copy of the said transmission report is attached hereto.

☒ **(FEDERAL)** I declare under penalty of perjury in accordance with 28 U.S.C. 1746 that the foregoing is true and correct.

I declare under penalty of perjury under the laws of the State of California that the above is true and correct. Executed on February 12, 2008, at San Francisco, California.
